Close But No Cigar: A True Story of Prison Life in Castros Cuba

In the instance of Christian civilization, the church as an institution was an immanent existential embodiment of a spiritual event. The movement that one sees within the urban space is not only that of pedestrians, streetcars and automobiles, but also embodied in the creation, tearing down and rebuilding of structures ranging from apartments to advertisements.

Innocent sinner

I deliberately play down mainstream Western philosophy whilst using it eclectically because I realise that in the face of the uncertainties and incompatibilities of intercultural situations, academic philosophy especially in its Analytical variant outside the specialist language-based domain of North Atlantic specialist thought, has no option but to simply rest its case. Luisi, A.

Machine Translations. Linguistic characteristics of MT systems

Let us just assume for the sake of argument that a person who had died and was resurrected to physical life by Jesus Christ during His earthly ministry later committed the unpardonable sin and died.
