In other words, the relationship between the fictional universe and referential reality is not based on metaphor, but rather takes the form of an allegory - an allegorical structure where the fictional universe can be understood, through world reduction and extrapolation, as a distorted image of referential reality. Q3 Ramat Gan, Krinizi.

### **You Dont Know Me**

At the same time, you should realize that you have your own life to live too, and not just the relationship.
