Women frequently "cry" rape. Few spoke English, and the lingua franca was an amalgam of many tongues known as Fanagalo. Future trends. Ruth is an officer because she exercises significant influence over the management of the business. Presumably the same reason people see human faces in pictures of martian rocks, a couple of random dots on a stained ceiling or a smiley The way our minds work we don't just look at the world to see what is there we look to match patterns in the

world with what we already hold in our minds.
