The Haunting of San Miguel Arcangel

The author challenges readers to find their own "travel wings" in this humorous account of a trip to one of the largest remaining virgin rain forests in the Amazon basin.

Molly and the Cat Who Stole Her Tongue

If we approach nature and the environment without this openness to awe and wonder, if we no longer speak the language of fraternity and beauty in our relationship with the world, our attitude will be that of masters, consumers, ruthless exploiters, unable to set limits on their immediate needs.

NATO Enlargement: International Relations or Civil-Military Relations?

To ask for something with an earnestness proportioned to the belief that it will not be given. Combined experimental and theoretical studies were conducted on the molecular structure and vibrational spectra of 4-AminoPhthalhydrazide APH.

Surface Science Investigations in Tribology. Experimental Approaches

And that the connexion of cause and effect here alleged is a real one, we may see clearly enough in the present state of Germany.
